

Admission Brochures of University of Sanya 2023 on Hainan Provincial Governmental Scholarship for International Students

I . Brief Introduction to the Hainan Provincial Governmental Scholarship (HGS) Program

HGS is set up by Hainan Provincial Government. International students (who hold passport of a foreign country) with good academic performance who apply to university or college in Hainan Province for degrees of bachelor, master or doctor can apply for HGS. On admission, students will get funded to cover all or part of their tuition fees. The scholarship qualification will be evaluated year on year based on the scholarship student's academic performance.

II. Application Procedure for 2023 HGS Program (USY)

Ranking top three on the List of China's Private Universities, University of Sanya is an independent undergraduate university located in Sanya, Hainan Province. It is a higher educational institution admitting international students under the Hainan Provincial Government Scholarship Program. USY has 25 schools and offers 56 undergraduate majors which cover nine disciplines encompassing Law, Literature, Economics, Management, Engineering, Science, Agriculture and Education etc. Currently, USY offers two undergraduate majors which are delivered by both English and Chinese: Business Administration (International Collaboration on Production Capacity and Service) and International Economics and Trade (Trade Service and Management in FTP). Right now, the university accommodates a student population of over 20,000. The campus covers an area of 200 hectares and has been facilitated with a variety of labs, an arts center, libraries, swimming pool, stadiums, as well as basketball, volleyball and tennis courts, hospital, cinema, supermarkets, shops, student canteens, food kiosks, post office, delivery hubs, printing center.

So far, University of Sanya has established partnerships with more than 80 universities in England, Canada, Switzerland, Russia, U.S.A., Germany, Spain, Italy, Korea, France and Japan etc. USY has provided degree and language training programs for international students since 2011 and students from more than 10 countries including Russia, France, England, U.S.A., Pakistan, Kazakhstan, Uzbekistan, Thailand, Nepal, Burundi, Ghana have been admitted to enroll with USY.

3. Qualified applicants will receive their Pre-Admission Letter in middle of June, and once approved by Hainan Provincial Government, the applicants will receive "Admission Letter" and Visa Application Form for Study in China (JW202) at the beginning of September.

IX. Registration

Students admitted who are inside China must register at the beginning of September of 2023 according to the notification of USY, students who are outside China shall finalize the enrollment online and enter China in accordance with the

follow-up arrangement of USY, or write to International Dept. for absence approval under special circumstances. Otherwise it will be considered as voluntarily giving up enrollment and scholarship when time of absence exceeds two weeks.

X. Others

1. Students who are admitted to the Hainan Provincial Governmental Scholarship Program must attend the annual evaluation by the Department of Education of Hainan Province every year, and those who are qualified and have good performance can continue to enjoy the scholarship on approval. Those who fail the annual evaluation will have their scholarship suspended and have to pay for their tuition and accommodation fee during the period, and those who fail the annual evaluation for two consecutive years will be disqualified from the scholarship.

2. International students who are unsuccessful in applying for the scholarship can also apply for the four-year degree program in USY through self-funding, the application materials are the same as the section V, and those who are admitted will have to pay tuition and accommodation fees by themselves, the specific tuition fees are subject to the tuition fee notice of 2023 released by university, applicants can contact the International Office for detailed information. Self-funded degree students will be given priority to be replaced as scholarship students when there are vacancies in the scholarship program, depending on their performance.
